

# SAVE 25-75% ON HEATING & COOLING COSTS

## Did you realize:

- That there's gas heating equipment that is now 100% efficient?
- Rooftop units on commercial property are 80% efficient?
- A 20% savings in a large building means thousands of dollars yearly?
- New units use 100% outdoor air which provides constant fresh air to the building occupants?

***Going green and saving green has never been easier & more beneficial:***

- Energy Efficiency Rebates
- Federal Tax Credits
- Low Interest Utility Company Financing
